### **Organic Balsamic Vinegar from Modena PGI 250 ML**

Organic PGI Balsamic Vinegar from Modena is made using grapes from seven different vineyards, each with distinctive aromatic notes. Aged wine vinegar is added to create that balance of sweet and sour typical of Balsamic Vinegar from Modena. Finally, it is aged in oak barrels. Best with: grilled red meat, aged cheese, raw fish, grilled veggies, caviar and crustaceans, fresh fruit.

*Glass bottle (grass paper label) - 250 ML*

16,00 euro

### **Organic sweet and sour white condiment 250 ML**

Organic sweet and sour white condiment is made using grapes from seven different vineyards that add distinctive aromatic notes. The use of white vinegar creates an excellent balance of sweet and sour flavors. Finally, the condiment is aged in oak barrels. Best with: cooked or raw veggies, fried foods, white meat, soft cheese, raw or cooked fish.

*Glass bottles (grass paper label) - 250 ML*

12,00 euro

### Salsa Relish BIO 220 G

Sauce made with veggies from Fattoria Triboli's organic garden without added preservatives. One of the main ingredients is cucumber and its flavor is brought out by our EVO oil. This relish is great with Greek yogurt or on a slice of crispy toast.

*Recycled glass jar and (grass paper label) - 220 G*

2,60euro

### Organic Chestnut Honey 300 G

Our Chestnut honey is made using organic, bee-friendly bee-keeping methods from chestnut tree nectar. Its characteristic taste is slightly bitter with pungent notes and an intense, strong flavor. It is naturally liquid and does not tend to crystallize so does not require any processing.

*Recycled glass jar and (grass paper label) - 300 G*

6,00 euro

### Organic Acacia Honey 300 G

Our Acacia honey is made using organic, bee-friendly bee-keeping methods from Acacia tree nectar. Its characteristic taste is slightly bitter with pungent notes and an intense, strong flavor. It is naturally liquid and does not tend to crystallize so does not require any processing.
